

Trans Jura Alps e-bike Journey

Switzerland at
365 degrees

ITINERARY

- Day one: Depart home country
- Day two: Arrive Switzerland, transfer to Biel; enjoy a glass of the local wine with your welcome dinner.
- Day three: Guided ride with views of the Alps, passing through La Chaux de Fonds, where Cartier and Omega still produce their watches.
- Day four: Guided round trip ride from La Chaux de Fonds, with the option to visit the watchmaking museum, and a short extension to the nearby Doubs River.
- Day five: With your guide, continue through impressive mountain scenery, staying the night on the French border.
- Day six: A guided ride in **France!** You'll stop for food and then return to Switzerland where you will stay in a hotel right on the shore of Lac de Joux.
- Day seven: With your guide, climb to the Col de la Givrine, adjacent to the Jura Alp's highest peak, then enjoy the long descent down to Geneva, where you'll enjoy a goodbye dinner with your new riding buddies!
- Day eight: transfer to the airport and say goodbye to Switzerland.
